THE SOFTNESS OF TRANSPARENCY

THIS COLLECTION EMBODIES AN IDEA OF TRANSPARENCY THAT BELONGS TO SANTAMBROGIOMILANO: NOT SOMETHING THAT FADES AWAY, BUT SOMETHING THAT TAKES ON FORM, ELEGANCE, AND PRESENCE.

GLASS GATHERS THE LIGHT AND MAKES IT PART OF THE OBJECT.

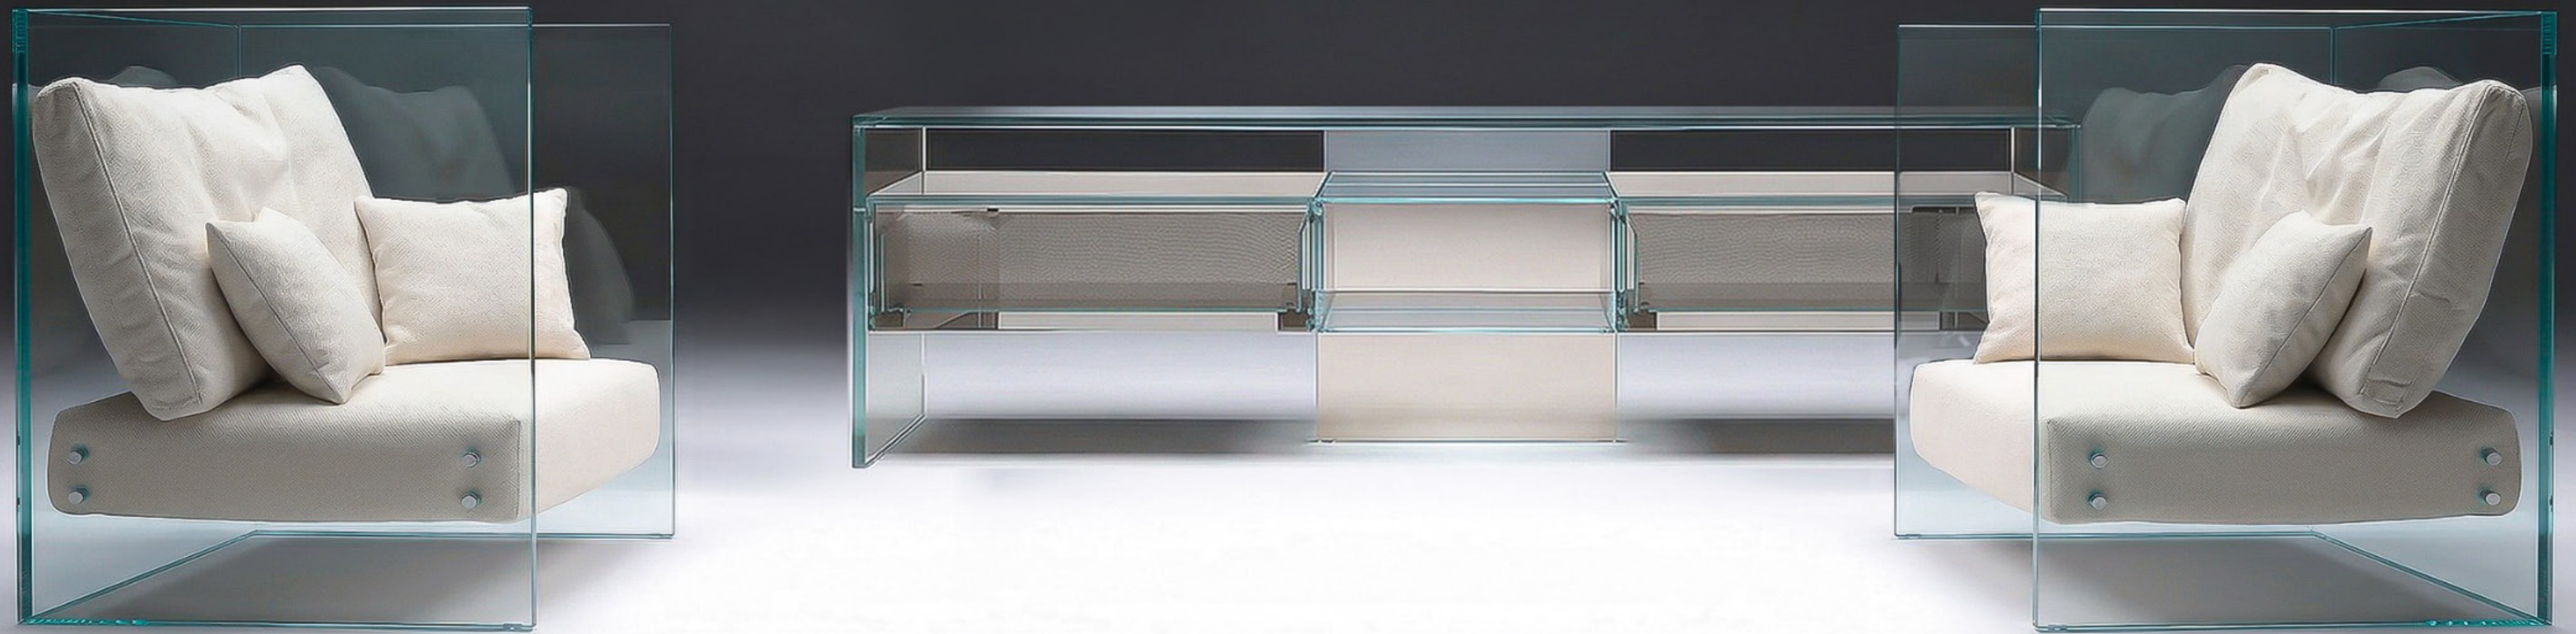

THE SOFTNESS OF THE CUSHIONS BRINGS A MORE INTIMATE DIMENSION, TURNING FORMAL RIGOR INTO SOMETHING QUIETER AND MORE NATURAL, AND WELCOMING.

IN THIS SUBTLE BALANCE, THICKNESS BECOMES A SIGNATURE ELEMENT — A RESTRAINED YET DISTINCTIVE PRESENCE THAT GIVES TRANSPARENCY IDENTITY, DEPTH, AND CHARACTER.

THE SOFTNESS OF TRANSPARENCY EXPRESSES A VISION OF GLASS AS MORE THAN A MATERIAL: A LANGUAGE OF LIGHTNESS, MEASURED EMOTION, AND BEAUTY TO BE LIVED.

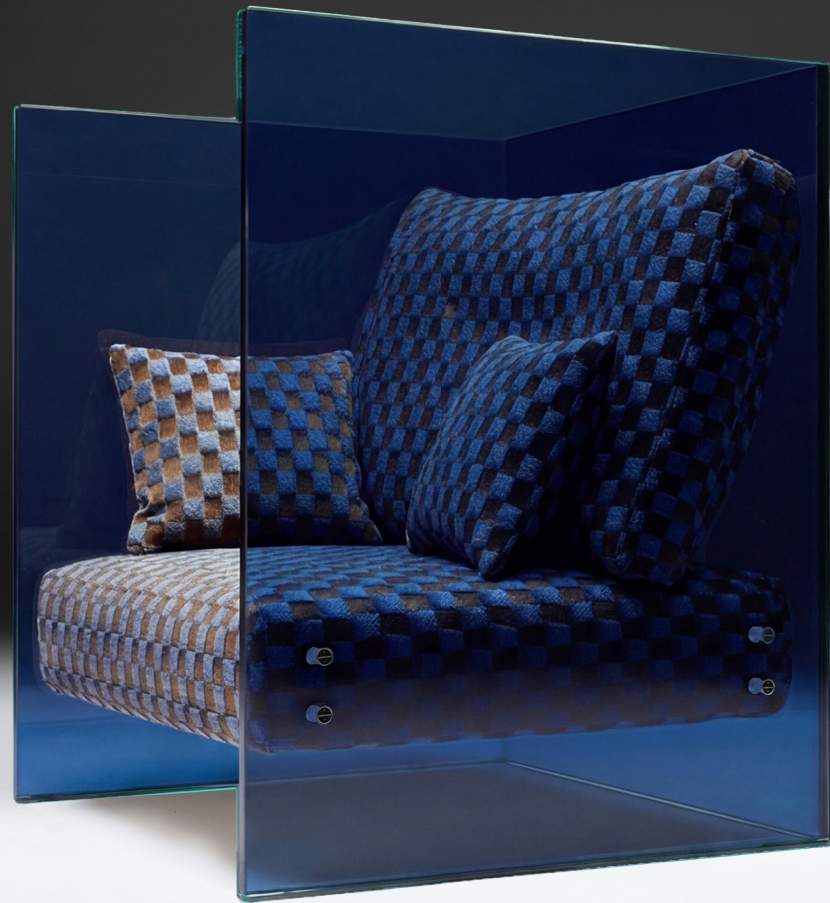

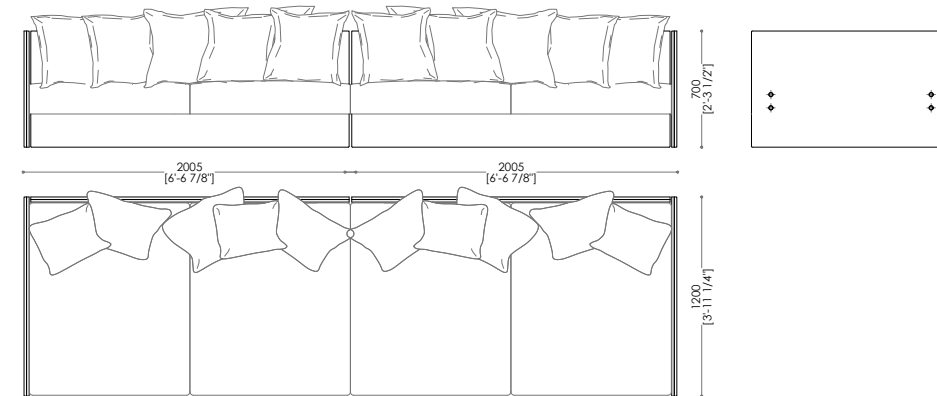

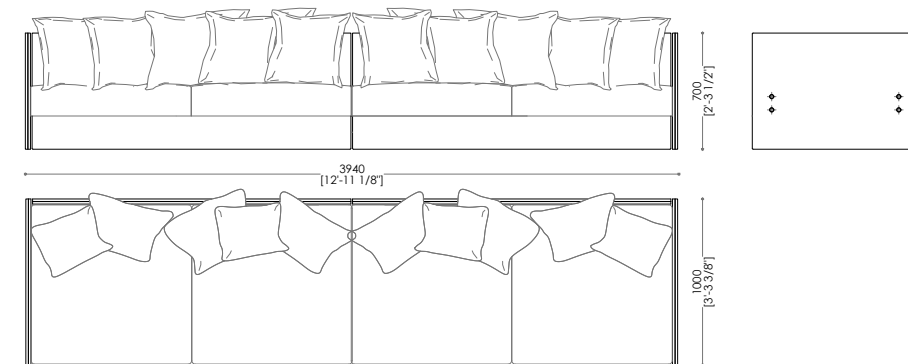

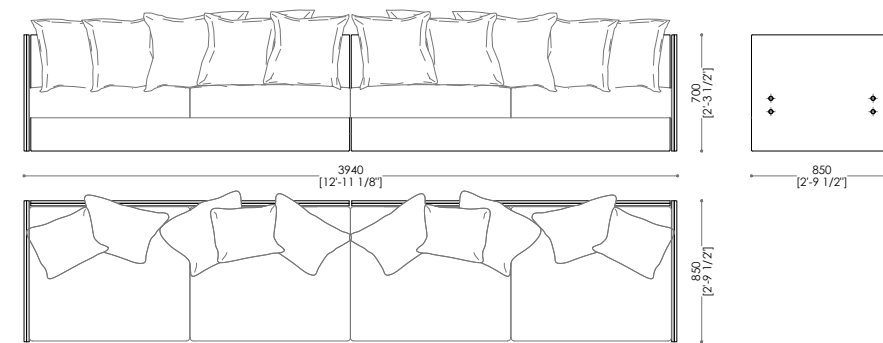

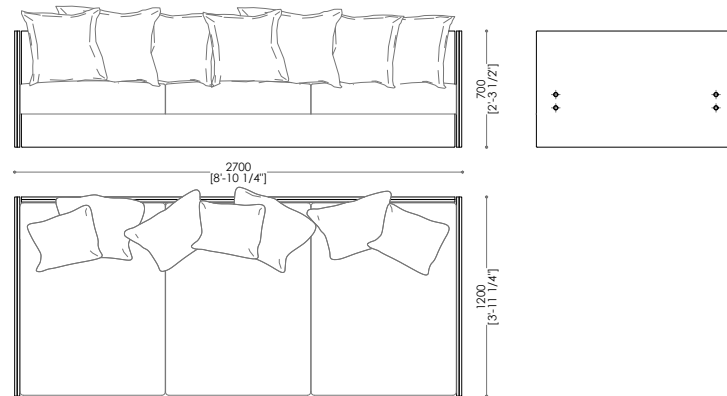

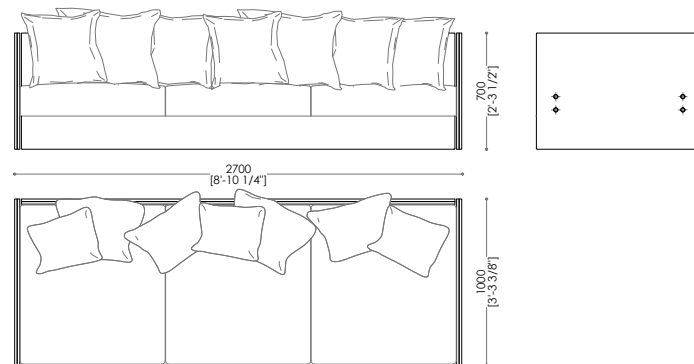

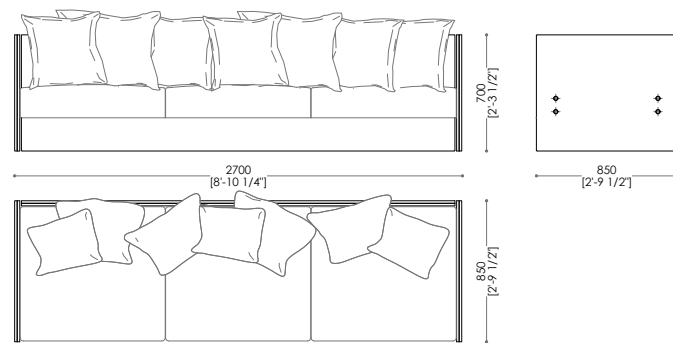

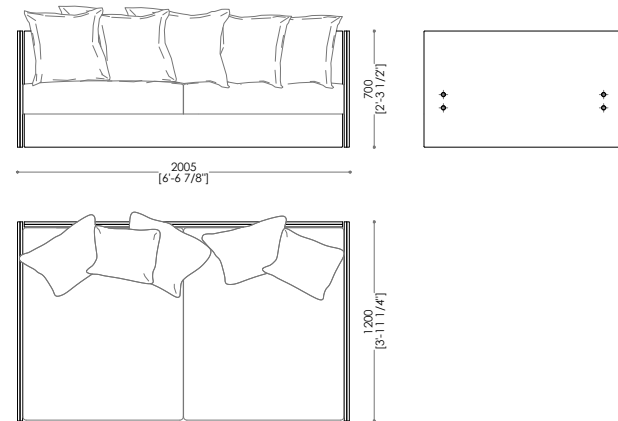

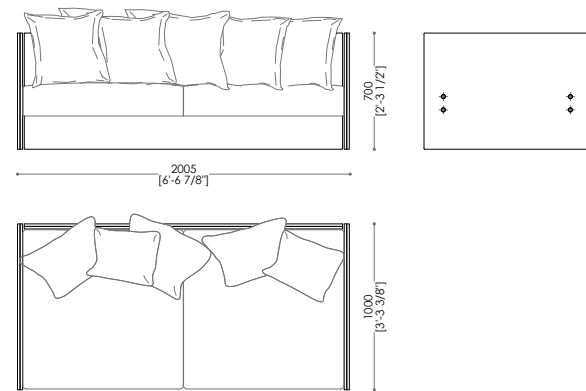

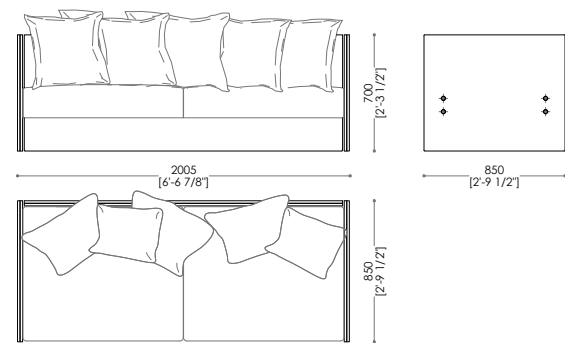

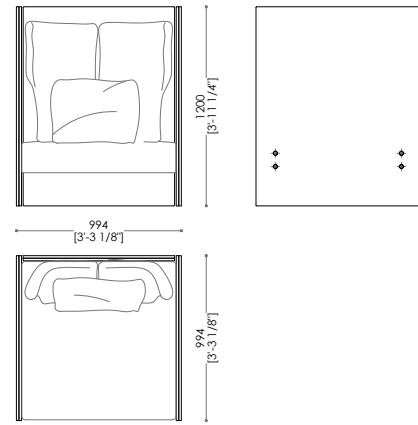

“Transparency is never absence.
It is presence, proportion, and light.
Softness gives it intimacy.
Thickness gives it identity.”
